## Overview

The IntelliFAX-2920 Plain Paper Fax, Phone and Copier from Brother® produces high quality results, making it ideal for office-based environment. This fully featured laser fax machine with back-lit LCD display has a compact design and front loading paper cassette tray, which makes it the ideal solution when space is limited.

This fax machine with 20 one-touch dial locations makes communication with your most regularly used numbers both quick and efficient. It stores up to 500 pages in the fax memory for out of paper reception or transmission. It operates using a separate toner and drum, making it easy to replace the toner or drum when necessary. Add style and performance to your office with IntelliFax-2920 Plain Paper Fax, Phone and Copier
