Overview

Experience high-quality color printing, sharp and crisp text, and eye-catching photo printouts with the Dell™ 1355cn Color LED Laser-Class Network Printer. Performing efficiently at print speeds of up to 15 pages per minute (ppm) mono and 12 pages per minute (ppm) colour (A4) (actual print speed will vary with use) the 1355cn can reliably produce high quality printing at a maximum monthly duty cycle of up to 30,000 pages. It allows users high value, high quality copy, fax, scan and color print capabilities in one compact unit with network connectivity feature. Furthermore, it is equipped with LED printing technology which delivers superior print quality, lower energy consumption and maintenance-free performance. Moreover, it is equipped with 295 MHz processor speed and 128 MB RAM.

The 1355cn multi-function printer provides effortless setup and installation via USB2.0 port. Additionally, the printer is Energy Star® certified, making it more power efficient than conventional models and lets you print vivid, bright and vibrant printouts with ease. With all such impressive features and more, the 1355cn is an ideal choice for your smart and modern lifestyle!

This printer comes with a 3-Year Advance Exchange Warranty
