* Prices, specifications, availability and terms of offers may change without notice. Despite our best efforts, a small number of items may contain pricing, typography, or photography errors. Correct prices and promotions are validated at the time your order is placed. Please note these policies apply only to products sold by the HP Home & Home Office Store; reseller offers may vary.

*** AMD's model numbering is not a measurement of clock speed. Dual/Quad/Triple Core is a new technology designed to improve performance of multithreaded software products and hardware-aware multitasking operating systems and may require appropriate operating system software for full benefit. Not all customers or software applications will necessarily benefit from use of this technology.

† Monthly payment estimate based on the product price before any taxes, shipping charges, additional purchases, and other fees. If paying with Bill Me Later® your payment amount may be as low as \$10/mo. A revised monthly payment amount will be calculated at checkout based on shipping preferences and zip code information. Offers subject to credit approval. Click on the offer for important disclosure information.

§ Actual formatted capacity is less. A portion of the hard drive is reserved for system recovery software — for notebooks up to: 20GB (Windows 7), 8GB (XP and XP Pro), 12GB (Vista), 12GB (MCE); for desktops up to: 14GB (Windows 7), 10GB (Vista, XP, XP Pro), 12GB (MCE). For hard drives 1GB=1 billion bytes.
