Belkin 24U Premium Enclosure (RK1002)

External Dimensions: 48"Hx 24"Wx 42"D
Rackmount Width: EIA 19"

The Belkin RK1002 provides added security for your critical networking equipment. Engineered to be exceptionally sturdy, it has been strength-tested to hold up to 2,000 pounds. Adjustable mounting rails accommodate equipment of varying depths, and horizontal channel markings ensure accurate rail adjustment. The RK1002 enclosure also includes lockable doors and side panels that can be removed for convenient equipment access.
