Overview

Get crisp and fast laser printouts with increased print productivity from Dell™ 2230d Monochrome Laser Printer. With printing speed of up to 33 pages per minute (ppm) for A4 size and 35 ppm for letter size papers, this printer delivers optimum performance every time you print. Also, it allows you to print professional-quality documents with quality text and sharp details at maximum resolutions of up to 1200x1200 dpi. Moreover, this printer is equipped with 400 MHz processor and 32 MB of RAM in a stylish and compact design which suits any home or business environment. Designed for high printing volumes and great usage demands, it has a 250-sheet covered drawer with 1-sheet multipurpose tray and also has a duty cycle of 35,000 pages per month. Additionally, it provides effortless setup and installation via USB port or IEEE 1284 Parallel Port. Streamline your printing process and brighten up your presentations with 2230d Monochrome Laser Printer. This printer includes the Dell Toner Management System™ - an intelligent software program that monitors your toner level and notifies you when your ink levels are low.

This printer comes with 3-Year NBD Onsite Response.

Thank you for your business!
